Appointment of As Authorized Agent and Representative

I certify that I am a representative of Biochemistry LLC ("Principal") and am authorized to enter, on its behalf, into permits (which are binding contractual agreements) with city and municipality representatives and when necessary the State of California. I further certify that I am authorized by Principal to appoint other representatives and agents for Principal and to give such representatives and agents authority to enter into and bind Principal to permits relating to the issuance of and compliance with location film (e.g. theatrical television, commercial and other motion picture filming) and still photographic permits, including the permits themselves and any riders (amendments) to such permits. Acting on behalf of the Principal in my capacity as its authorized representative, I appoint Walker Location Services and its employees and agents ("WLS") as Principal's authorized representatives and agents to apply for location film (e.g. theatrical television, commercial and other motion picture filming) and still photographic permits on behalf of Principal through Film L.A. Inc. of Southern California for any city, county or other jurisdiction where Film LA operates; to negotiate discuss, accept, modify, agree to and bind Principal to the terms and conditions of such permits, subject to Principal's requirements and standards for such permits, (including all restrictions and/or community guidelines applicable to any such permit); and to execute such permits on behalf of Principal. Principal understands, acknowledges and agrees that it (and/or insurer) remains responsible and liable for all obligations imposed by or incidental to any permit or rider issue to Principal signed by any employee or agent of (including any coordinator, runner or messenger used by) WLS. Principal further agrees to comply with the terms and conditions of any such permits and hereby appoints WLS as an authorized representative to facilitate compliance with such terms and conditions following issuance of any such permits and to enter into agreements for Principal with respect thereto. Any person, agency; entity or organization (including Film LA) and any city, county or other jurisdiction (where Film LA operates) may rely upon this appointment and need not obtain further authorization for any act described herein. Any original or faxed copy of this appointment shall be sufficient, and may be treated as an original for all purposes. The appointment may be revoked by Principal at any time in writing delivered to Film LA, but in any case shall expire one (1) year from the date of execution set forth below.

I declare under penalty of perjury under the laws of State of California that I am authorized to appoint WLS as agent for Principal, and based upon that authority I hereby appoint WLS as Principal's agent as set forth herein.

Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- **Ok to equipment basecamp on 5/21/18 (see plot plan).**
- **Ok to park 100 crew cars, 1 cube truck, 1 35' truck, 6 5/10 ton trucks, 2 generators, 6 stake beds and 5 shuttle vans.**
- **Ok for company to leave vehicles overnight with a security guard present.**
- **Monitor MUST lock gate after they leave.**
- **Must leave all fire lanes open at all times and do not block any fire hydrants.**
- **Company does not have exclusive use of parks/parking lots.**
- **Must work around park patrons, park activities and park maintenance staff.**
- **No blocking off exits/entrance of driveways.**
- **No staking. Must be free-standing.**
- **If tents are being used, they must be secured with sandbags or water barrels.**
- **If generators are being used, must have plywood or concrete base and must not be underneath any trees.**
- **Company must get permission from patrons if being filmed.**
- **If children are being filmed, parents/guardians must be present with approval at all times.**
- **Company must leave all areas clean after use.**
- **Must maintain the 20ft emergency vehicle clearance.**
- **Use of City utilities (water and electricity) is $75 per use, per day and the company will be invoiced by the Park Film Office.**
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- **No simulated sex allowed on Park property.**

- **No nudity allowed on Park property.**
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking and or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.

- **Must work around park patrons, park activities and park maintenance staff.**
- **No blocking off exits/entrance of driveways.**
- **No staking. Must be free-standing.**
- **If tents are being used, they must be secured with sandbags or water barrels.**
- **If generators are being used, must have plywood or concrete base and must not be underneath any trees.**
- **Company must get permission from patrons if being filmed.**
- **If children are being filmed, parents/guardians must be present with approval at all times.**
- **Company must leave all areas clean after use.**
- **Must maintain the 20ft emergency vehicle clearance.**
- **Use of City utilities (water and electricity) is $75 per use, per day and the company will be invoiced by the Park Film Office.**
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- **No simulated sex allowed on Park property.**

- **No nudity allowed on Park property.**
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking and or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
